Intro: Am

[Primeira Parte]

Am  
The night-time crept quickly  
And finished the last of the Sun  
Am  
I closed my eyes and tried hard  
F  
To forget what I'd done  
Am  
There's darkness sweeps down  
F  
From above and consumes my soul  
G F Am  
Like night it's so empty and bitterly cold

Am  
I'm heavy with burdens  
F  
That shatter my last chance at sleep  
Am  
I hear them all crying  
F  
See my poor mother weep  
Am  
A guard on my left  
F  
A gavel slams down on my right  
G F  
And iron bars close  
Am  
On a thirty year night
