 It's build
 It's build a house where we can stay

Add a new bit everyday
 It's build a road for us to cross
 Build us lots and lots and lots and lots

Whistling men in yellow vans
 They can and drew us diagrams
 Showed us how it all worked it out
 And wrote it down in case of doubt

Slow, slow, quick, quick, quick
 It's wall to wall and brick to brick
 They work so fast it makes you sick
 It's build

It's build a house where we can stay
 Add a new bit everyday
 It's build a road for us to cross
 Build us lots and lots and lots and lots

It's build

Down with sticks and up with bricks
 In with boots and up with roots
 It's in with suits and new recruits
 It's build
