For I thought that those days  
**E**  
Would just fade and die  
**B Gb E**  
But every cell in my body has it all writ down  
**B Gb E**  
Every smile and every frown  
**B Gb B**  
And oh, those good-time girls  
**Gb B**  
Oh, those good-time girls  
**E Gb B**  
That book it sometimes makes me glad  
**E Gb B**  
That book it sometimes makes me sad  
**Gb B**  
But oh, it don't read bad  
**Gb B**  
Oh, it don't read bad
