My cousin has great changes coming
 One day he'll wake with wings

My cousin has great changes coming
 One day he'll wake with wings

Do dah, do do dah, do do dah, do do dah
 Do dah, do do dah, do do dah, do do dah
 Do do dah, do do dah, do do dah

Cousin Caterpillar, seven pairs of legs for you
 Cousin Caterpillar, can you tell me what they do?

Well, all that I can say
 Is that they seem to help some way
 To pull my little body along
 To pull my little body along

Well, first I didn't know their use
 But worrying you only lose
 So I said I love you, and I love what you do
 Come on do your thing

Do dah, do do dah, do do dah, do do dah
 Do dah, do do dah, do do dah, do do dah
 Do do dah, do do dah, do do dah

Cousin Caterpillar, white and silky threads for you
 Cousin Caterpillar, can you tell me what they do?

Well, all that I can say

Is that they seem to help some way
 To pull my little body along
 To pull my little body along

Well, first I didn't know their use
 But worrying you only lose
 So I said I love you, and I love what you do
 Come on do your thing

Do dah, do do dah, do do dah, do do dah
 Do dah, do do dah, do do dah, do do dah
 Do do dah, do do dah, do do dah

My cousin, as you see, takes his changes easily
 O happy we, could we take each change so easily

Then all that we could say
 Is that it would seem to help some way
 To pull our little bodies along
 To pull our little bodies along

Well, first we wouldn't know their use
 But worrying we only lose
 So we say I love you, and I love what you do
 Come on do your thing

Do dah, do do dah, do do dah, do do dah
 Do dah, do do dah, do do dah, do do dah
 Do do dah, do do dah, do do dah

My cousin has great changes coming
 One day he'll wake with wings

My cousin has great changes coming
 One day he'll wake with wings
