

# The Killers - Be Still

Tom: Eb

Afinação: Eb Ab Db Gb Bb Eb

Be still. Go onto bed  
 Nobody knows what lies ahead  
 Life is short to say the least  
 We're in the belly of the beast

Be still, wild and young  
 Long may your innocence reign like shells on a shore

May your limits be unknown  
 May your efforts be your own  
 If you ever feel you can't take it anymore

Don't break character  
 You've got a lot of heart  
 Is this real or just a dream  
 Rise up like the sun  
 Labor till the work is done

Be still. One day you'll lead  
 Fearlessness on your sleeve  
 When you come back, tell me what did you see  
 Was there something out there for me

Be still. Close your eyes  
 Soon enough, you'll be on your own, steady and straight  
 And if they drag you through the mud  
 It doesn't change what's in your blood  
 Over rock, Over chain, Over trap, Over plane

When they knock you down  
 Don't break character  
 You've got a lot of heart  
 Is this real or just a dream  
 Be still  
 Be still  
 Be still  
 Be still  
 Be still

Over rock and chain  
 Over sunset plane  
 Over trap and snare  
 When you're in too deep  
 In your wildest dreams  
 In your made up schemes  
 When they knock you down  
 When they knock you down

Don't break character  
 You've got so much heart  
 Is this real or just a dream  
 Rise up like the sun  
 Labor till the work is done  
 Rise up like the sun  
 Labor till the work is  
 Rise up like the sun  
 Labor till the work is done
