I'll tell you what you wanna know

But boy you better listen close

People gonna tell you lies.

Don't let it come as a surprise.

That woman's on my back again.

I know she's got the best intentions.

When you begin to realize

you know you got your daddy's eyes.

Verse 2:

When you put it on the other hand.

when you're old enough to understand.

That glove will bring it all to light.

I didn't say that made it right.

Cause that woman's on my back again.

I know she's got the best intentions.

When you begin to realize
You'll know you've got your daddy's eyes.

Bridge: (delay on guitar, 217ms, 2 repeats, palm mute)

Sometimes people get tired.
