

The Killers - For Reasons Unknown

tom:
 C (forma dos acordes no tom de A)
 Capostraste na 3ª casa

I pack my case, I check my face
 I look a little bit older, I look a little bit colder
 With one deep breath, and one big step
 I move a little bit closer, I move a little bit closer
 For reasons unknown
 I caught my stride, I flew and flied
 I know if destiny's kind, I've got the rest on my mind
 But my heart, it don't beat, it don't beat the way it used to
 And my eyes, they don't see you no more
 And my lips, they don't kiss, they don't kiss the way they used to
 And my eyes don't recognize you no more

There was an open chair, We sat down in the open chair
 I said if destiny's kind, I've got the rest on my mind
 But my heart, it don't beat, it don't beat the way it used to
 And my eyes, they don't see you no more
 And my lips, they don't kiss, they don't kiss the way they used to
 And my eyes don't recognize you at all
