The Killers - Forget About What I Said

Tom: G

Gbm Em
We used to tear it down,
Bm
but now we just exist
Gbm Em
The things that i did wrong,
Bm
I'll bet you've got a list
Gbm Ab
Now I know how you remember
Gbm Ab
and those moments that you choose
Gbm Ab
will define me as a traitor,
Gbm Ab
stealing everything you lose

Db Gb
Forget about what I said,
B
the lights are gone and the party's over
Abm Gb
Forget about what I said.
Db Gb
Forget about what I said,
B
I'm holding out and I know you hear me
Abm Gb
Forget about what I said

Gbm Em
Stay up late tonight,
Bm
and turn off your phone
Gbm Em
Well you were selfish too,
Bm
but you were never all alone
Gbm Ab
In those ugly pink apartments
Gbm Ab
with the hustlers and the kids,
Gbm Ab
mapping out some retribution
Gbm Ab
Do we have to go through this?

Db Gb
Forget about what I said,
B
the lights are gone and the party's over
Em Gbm
Forget about what I said.
Db Gb
Forget about what I said,
B
I'm holding out and I know you hear me
Em Gbm
Forget about what I said

C Am G
All of the stars are wandering around tonight,
D
we used to try them on.
C
And sometimes I hear you,
Am G
the galaxy sings your song
Ab
And tonight I sing along.

Db Gb
Forget about what I said,
B
the lights are gone and the party's over
Em Gbm
Forget about what I said.
Db Gb
Forget about what I said,
B
I'm holding out and I know you hear me
Em Gbm
Forget about what I said
Em Gbm
Forget about what I said
