 A little birdie whispered in my ear,
E **Gb** **B**
 You been cooking up a world of fear,
B
 Put your hands in things you shouldn't have known,
E **Gb** **B**
 You was riding in the danger zone
E **Gb**
 Well you had us all fooled with your quarter back smile,
G#M **Gb**
 And your crocodile tears there for a while,
E **Gb**
 Got my paradigm shifting, man, you're making me shout

B
 Hey, from here on out,
E **Eb**
 Friends are gonna be hard to come by,
Gb **G#M**
 Left us wondering what it all was about,
E **Eb**
 You had it easy man you chose the hard way,
Gb **G#M** **Gb** **E**
 Walk that old lonely road in a shadow of a doubt,
B
 From here on out

```

B
 Should I pass over the side and cross?
E **Gb** **B**
 You may wonder what the trouble cost
B
 That don't matter now life goes on
E **Gb** **B**
 Hallelujah, the trouble's gone!
E **Gb**
 No sense in holding grudges in this 32 years
G#M **Gb**
 These are things I must learn to practice while I live,
E **Gb**
 Got my paradigm shifting man you're making me shout:

B
 Hey, from here on out,
E **Eb**
 Friends are gonna be hard to come by,
Gb **G#M**
 Left us wondering what was it was all about,
E **Eb**
 You had it easy man chose the hard way,
Gb **G#M** **Gb** **E**
 Walk that old lonely road in a shadow of a doubt.

B
 Hey, from here on out,
E **Eb**
 Let the people pull the peace sign
Gb **G#M**
 Left us wondering what it's all about,
E **Eb**
 You been denied but you carried it with ya,
Gb **G#M** **Gb** **E**
 Down that old lonely road in a shadow of a doubt,
B
 Yeah from here on out
