

# The Killers - Leave The Bourbon On The Shelf

Tom: **Db**

Intro: **Db**

**Db**  
Shakin' like the Devil when she lets me go  
**Gb**  
Got a new place, and how it's so much better  
**Db**  
Falling over myself, the televisions' on,  
**Ab Ab**  
I turn it off and smile  
**Bb Gb**  
Oh, Jennifer, you know I always tried  
**G Ab A Bb**  
Before you say goodbye

**A A A A A Ab**

**Db**  
Leave the bourbon on the shelf  
**Gb**  
And I'll drink it by myself  
**Bb**  
And I love you endlessly,  
**Ab Gb**  
Darling don't you see I'm not satisfied  
**Ab**  
Until I hold you tight  
**Db**  
Give me one more chance tonight  
**Gb**  
And I swear I'll make it right

**Bb**  
But you ain't got time for this  
**Ab**  
And that wreckin' bell is ringin'  
**Gb**  
And I'm not satisfied  
**Ab**  
Until I hold you  
**Db Gb**  
Jennifer, tell me where I stand  
**Bbm Ab Ab**  
And who's that boy holdin' your hand?  
**Bb Gb**  
Oh, Jennifer, you know I always tried  
**G Ab A Bb**  
Before you say goodbye

**A A A A A Ab**

Leave the bourbon on the shelf  
And I'll drink it by myself  
And I never liked your hair or those people that you lie with  
But I'm not satisfied  
Until I hold you tight  
And I love you endlessly,  
Darling don't you see I can't be satisfied  
Until I hold you tight

Leave the bourbon on the shelf  
And I'll drink it by myself  
And I love you endlessly,  
Darling don't you see  
I'm not satisfied
