Leave the bourbon on the shelf
 And I'll drink it by myself
 And I never liked your hair or those people that you lie with
 But I'm not satisfied
 Until I hold you tight
 And I love you endlessly,
 Darling don't you see I can't be satisfied
 Until I hold you tight
 Leave the bourbon on the shelf
 And I'll drink it by myself
 And I love you endlessly,
 Darling don't you see
 I'm not satisfied
