Intro: 2x: C G F

C G
Coming out of my cage
And I've been doing just fine
Gotta gotta be down
Because I want it all
C G
It started out with a kiss
How did it end up like this?
It was only a kiss
It was only a kiss

C G
Now I'm falling asleep
And she's calling a cab
While he's having a smoke
And she's taking the drag
Now they're going to bed
And my stomach is sick
And it's all in my head
But she's touching his chest now
He takes off her dress now
Let me go
And I just can't look
It's killing me
And taking control

C
Jealousy
F Am
Turning saints into the sea
G C
Swimming through sick lullaby
F Am
Joking on your alibi
G C
But it's just the price I pay
F Am
Destiny is calling me
G C F
Open up my eager eyes
Am G
I'm Mr. Brightside
