Tom: C

Intro: 2x: C G F

C G
Coming out of my cage
And I've been doing just fine

G F
Gotta gotta be down
Because I want it all

C G F
It started out with a kiss
How did it end up like this?

C C
It was only a kiss
It was only a kiss

C G
Now I'm falling asleep
And she's calling a cab

F C
While he's having a smoke
And she's taking the drag

G F
Now they're going to bed
And my stomach is sick

F Am
And it's all in my head
But she's touching his chest now

G F
He takes off her dress now
Let me go

Am G
And I just can't look
It's killing me

F
And taking control

C Am
Jealousy
Turning saints into the sea

G C
Swimming through sick lullaby
Joking on your alibi

F Am C
But it's just the price I pay
Destiny is calling me

G C F
Open up my eager eyes
I'm Mr. Brightside
