

# The Killers - Out Of My Mind

Tom: D

**Em**  
We're building up a kingdom  
**Gbm**  
We pray it never falls  
**Em**  
I can lose my temper  
**Gbm**  
You can put up walls

**Bm** **Gbm** **G**  
And I hate when it gets serious  
**Bm** **Gbm** **G**  
It's like we're going blind

Take the needle off the record

I can't stand another chorus

About Juliet's control over mystified mankind

But I can't get you out of my mind

To get you out of my bed

To get you out of my heart

And my head

**Bm Gbm G D**

Oh, we're falling

Oh, we're falling

Storm the gates of Graceland

**Gbm** **Bm**  
To make you realize  
**Em** **Bm**  
Went back-to-back with Springsteen  
**Gbm** **Bm**  
You turned and rolled your eyes  
**Bm** **Gbm** **G**  
So I told you about McCartney  
**Bm** **Gbm** **G**  
That's a heavy name to drop

You say you don't need confirmation  
But I don't know if I can stop

But I can't get you out of my mind

To get you out of my bed

To get you out of my heart

And my head

**Bm Gbm G D**

Oh, we're falling

Oh, we're falling

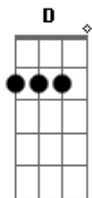

Oh, we're falling

Oh, we're falling

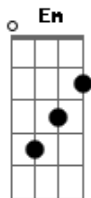

Oh, we're falling

Oh, we're falling
