baby knows that baby don't tease me

down in the dark we could go sailing

Dm

on the sea

I don't need political process

Pre-Chorus:

D

I got this feeling that they're gonna break down the door

A

And they don't stop dragging me down

F

Silently reflection turns my world to stone

F

patiently correction leaves us all alone

Bb

and sometimes I'm a travelin' man but tonight

Dm

This engines failing

And I still hear the children playing

Dm

kick the can, kick the can skip and blackjack, steal a car and
ring around rosie
rock and roll, candyland, boogieman, run away and give me your
sneakers

Verse 3:

Dm

Acid rain when Abel looked up at Cain
we began weeping and a wailin'
hurry high from pestilence pills and pride
It's a shame we could have gone sailing

F

Bb

but Heaven knows, Heaven knows everything...tranquilize

Pre-Chorus:

D

I got this feeling that they're gonna break down the door

Dm

I got this feeling that they're gonna come back for more

D

See I was thinkin' that I lost my mind

Dm

but it's been getting to me all this time

A

and don't stop dragging me down

Chorus 2:

F

silently reflection turns my world to stone

F

patiently correction leaves us all alone

Bb

and sometimes I'm a travelin' man but tonight

Dm

this engines failing

I still hear the children playing, dead beat dancers come to
us and stay

F

cause I don't care where you been

C

and I don't care what you seen

Dm

we're the ones who still believe

C

and we're looking for a page

C

in that lifeless book of hope

C

where dream might help you cope

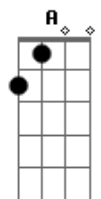

Dm

where the bushes and the bombs

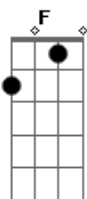

C

uh huh tranquilize
