

# The Killers - Tranquilize

Tom: F

**Dm**  
Time it tells livin' in my hometown  
Wedding bells they begin easy  
live it down baby dont talk that much  
baby knows that baby don't tease me

**F**  
In the park we could go walking  
**Bb**  
down in the dark we could go sailing  
**Dm**  
on the sea

Verse 2:

**Dm**  
always here always on time close call.  
was it love or was it just easy?  
money talks when people need shoes and socks  
steady boys I think that she needs me

**F**  
I was just sippin on something sweet  
**Bb**  
I don't need political process

Pre-Chorus:

**D** **A**  
I got this feeling that they're gonna break down the door  
**Dm** **Gm**  
I got this feeling that they're gonna come back for more  
**D** **A**  
see I was thinking that I lost my mind  
**Dm** **Gm**  
But it's been getting to me all this time  
**A**  
And they don't stop dragging me down

Chorus 1:

**F** **C** **Dm** **Bb**  
Silently reflection turns my world to stone  
**F** **C** **Dm** **A**  
patiently correction leaves us all alone  
**Bb** **C** **Dm**  
and sometimes I'm a travelin' man but tonight  
**Dm** **C** **Bb** **C**  
This engines failing

And I still hear the children playing

Bridge:

**Dm**

kick the can, kick the can skip and blackjack, steal a car and  
ring around rosie  
rock and roll, candyland, boogieman, run away and give me your  
sneakers

Verse 3:

**Dm**  
Acid rain when Abel looked up at Cain  
we began weeping and a wailin'  
hurry high from pestilence pills and pride  
It's a shame we could have gone sailing  
**F** **Bb**  
but Heaven knows, Heaven knows everything...tranquilize

Pre-Chorus:

**D** **A**  
I got this feeling that they're gonna break down the door  
**Dm** **Gm**  
I got this feeling that they're gonna come back for more  
**D** **A**  
See I was thinkin' that I lost my mind  
**Dm** **Gm**  
but it's been getting to me all this time  
**A**  
and don't stop dragging me down

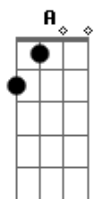

Chorus 2:

**F** **C** **Dm** **Bb**  
silently reflection turns my world to stone  
**F** **C** **Dm** **A**  
patiently correction leaves us all alone  
**Bb** **C**  
and sometimes I'm a travelin' man but tonight  
**Dm** **C** **Bb** **C**  
this engines failing

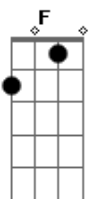

I still hear the children playing, dead beat dancers come to  
us and stay

**F** **Dm**  
cause I don't care where you been  
**C** **Am**  
and I don't care what you seen  
**Dm** **Gm**  
we're the ones who still believe  
**C** **F**  
and we're looking for a page  
**C** **Dm**  
in that lifeless book of hope  
**C** **Am**  
where dream might help you cope  
**Dm** **Gm**  
where the bushes and the bombs  
**C** **F**  
uh huh tranquilize
