

# The Killers - Tranquilize(feat.lou Reed)

Tom: E

( Dbm B )  
 Time it tells livin' in my hometown  
 Wedding bells they begin easy  
 live it down baby dont talk that much  
 baby knows that baby don't tease me

E  
 In the park we could go walking  
 Gb  
 down in the dark we could go sailing  
 Dbm B Dbm  
 on the sea

( Dbm B )  
 always here always on time close call.  
 was it love or was it just easy?  
 money talks when people need shoes and socks  
 steady boys I think that she needs me

E  
 I was just sippin on something sweet  
 Gb  
 I don't need political process

(refrão)  
 Dbm B  
 I got this feeling that they're gonna break down the door  
 E Gb  
 I got this feeling that they're gonna come back for more  
 Dbm B  
 see I was thinking that I lost my mind  
 E Gb  
 But it's been getting to me all this time  
 Ab  
 And they don't stop dragging me down

E B Dbm Ab  
 Silently reflection turns my world to stone  
 E B Dbm Abm  
 patiently correction leaves us all alone  
 A B E  
 and sometimes I'm a travelin' man but tonight  
 Abm A B  
 This engines failing

E Gb B A  
 And I still hear the children playing

( Dbm B )  
 kick the can, kick the can skip and blackjack, steal a car and uh huh tranquilize  
 ring around rosie

rock and roll, candyland, boogieman, run away and give me your sneakers

Acid rain when Abel looked up at Cain  
 we began weeping and a wailin'  
 hurry high from pestilence pills and pride  
 It's a shame we could have gone sailing  
 E Gb  
 but Heaven knows, Heaven knows everything...tranquilize

(pré-refrão)  
 Dbm B  
 I got this feeling that they're gonna break down the door

 E  
 I still hear the children playing, dead beat dancers come to us and stay  
 E B Dbm  
 cause I don't care where you been  
 B Abm  
 and I don't care what you seen  
 Dbm Gbm  
 we're the ones who still believe  
 B E  
 and we're looking for a page  
 B Dbm  
 in that lifeless book of hope  
 B Abm  
 where dream might help you cope  
 Dbm Gbm  
 where the bushes and the bombs  
 B E
