Tom: F
Intro: Dm Am Dm Am Dm F Am C Dm F Am C

Dm Am
The first time that I saw you, you were modestly waiting for a bus
Dm Am
Now you're driving around in hired limousines
Am
And you talk so upper class.

F C
The cost is high, but it's not the only price you ultimately pay
Dm
Add it up, you might have got some money
Am
But you lost me on the way

Dm F
Add it up, oh
Am C
Add it up, oh
Dm F
Add it up, oh
Am C
Add it up, oh

Dm
Ah, Gucci, Gucci, Gucci
Am
Cartier, Cartier
Dm Am
Gucci, Gucci, Gucci

F
Add it up,
C
You multiplied and multiplied but what's it leading to?
Dm
Add it up,

Am

The only thing subtracted is the love I had for you
Dm F
So add it up, oh
Am C
Add it up, oh
Dm F
Add it up, oh
Am C Dm Am
Add it up, oh

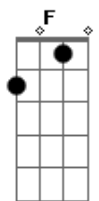

Dm
Symbols of perversion and insanity
Am
Symbols of social immorality
Dm
Symbols of economic cruelty
Am
Symbolize all what you did to me

Dm
Ah, Gucci, Gucci, Gucci
Am
Cartier, Cartier
Dm
Gucci, Gucci, Gucci
Am
Cartier, Cartier

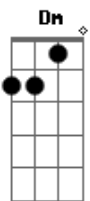

F C
Money can't cover up the fact you're getting older every day
Dm Am
And you can't disguise your sad little eyes that give your loneliness away

Dm F
Add it up, oh
Am C
Add it up, oh
Dm F
Add it up, oh
(repeat)
