

The Kinks - All She Wrote

Tom: D
Intro: Em D C7M (hold) Em D C G E D A D

Such a change from that cold, bitter scam Of what I was, and what I am

All she wrote was a goodbye letter "It's over for us, to tell you the truth
That's all she wrote On the back of that old brown envelope

I've met this person in a disco He's really special, reminds me of you
A few killer lines to get my goat That's all she wrote

"Now you can mix in those swinging circles Single bars and gay cafes
"Did you ever really love me ? Did you ever really care?"

With pickup lines to impress young schoolgirls And big Australian barmaids
Now you're free to live your fantasy And I'm not there

That's all she wrote On the back of that old brown envelope
To cramp your style and blow your cover free to take your lover

A few killer lines to get my goat That's all she wrote
To titty bars and low life clubs"

ooh o o o ooh o
All she wrote is a goodbye letter "It's over for us, to tell you the truth
I've met this person in a disco He's really special, reminds me of you
"So don't pretend to be a new man Be chauvinistic, that's your way
Now you're free to make your play For that big Australian barmaid
(Big Australian barmaid) Big Australian barmaid"
That's all she wrote On the back of that old brown envelope

And my new man is a vegetarian He laughs a lot, not like you"
Picked up one of her old love letters "You are such a caring A few killer lines in that suicide note That's all she wrote man"
