Tom: F
Intro: C G Am Em F Em Dm7 C

Won't you sing me a song or two, Won't take you long to do
Just sing to me please, won't you whistle a tune

I got nothing to gain, I got nothing to lose
But if you sing me a song, you'll make me happy

Refrão:
Sing Mr. Songbird, Sing Mr. Song--bird
Sing Mr. Songbird
You help to keep my troubles away

Ba-ba babababababa...
Ba-ba babababababa...

(Refrão)

Mister, won't you sing me a song
Won't you sing a little melody
Won't you try to help me along
Won't you sing a little song for me, oh yeah

Won't you sing me a song or two, won't take you long to do
Just sing to me please, won't you whistle a tune

Though I ain't got a bean, it costs me nothing to dream
So if you waiting for nothing, do something for me

You help to keep my problems away
You help to keep the devil away
