

The Kinks - Strangers

Tom: C

Where are you going I don't mind
 I've killed my world and I've killed my time
 So where do I go what do I see
 I see many people coming after me
 So where are you going to I don't mind
 If I live too long I'm afraid I'll die
 So I will follow you wherever you go
 If your offered hand is still open to me

CHORUS:

Strangers on this road we are on
 We are not two; we are one
 So you've been where I've just come
 >From the land that brings losers on
 So we will share this road we walk

And mind our mouths and beware our talk
 Till peace we find tell you what I'll do
 All the things I own I will share with you
 And if I feel tomorrow like I feel today
 We'll take what we want and give the rest away ...

Holy man and holy priest
 This love of life makes me weak in my knees
 And when we get there make your play
 Cos soon I feel you're gonna carry us away
 In a promised lie you made us believe
 For many men there is so much grief
 And my mind is proud but it aches with rage
 And if I live too long I'm afraid I'll die ...

Strangers on this road we are on
 We are not two; we are one
