

## The Knocks - Brazilian Soul (feat. Sofi Tukker)

```
Drinking coffee with the capoeira
Intro: Ebm Bbm Ab
                                                                From New York to Pará
                            Rhm
The praia and the sun, the forró and the night
                                                                 Bbm
                                                                Atlanta to Paraná
Garota brasileira dancing into the daylight
                                                                     Ab
                                                                São Paulo, Tocantins
Just swinging, rebolado
       Bbm
                                                                Miami and the in-between
Don't know how but I try to
 Ab
Seu jeitinho e your carinho
                                                                Quer saber de onde sou?
Something that i'd fly to
                                                                Brasileira, meu amor
                                                                Brasil!
Quer saber de onde sou?
Db
                                                                Fbm
Brasileira, meu amor
                                                                Quer saber de onde sou?
Ab
Brasil!
                                                                Brasileira, meu amor
                                                                 Ah
Fbm
                                                                Brasil!
Quer saber de onde sou?
Brasileira, meu amor
                                                                A tambourine in the rhythm of samba
Αh
                                                                                 Dh
Brasil!
                                                                In the heat of December
                                                                Oh, Brazil is where I go
A tambourine in the rhythm of samba
                                                                I think I've got a case of Brazilian soul
                Dh
In the heat of December
                                                                                Ebm
                                                                I'll always remember
Oh, Brazil is where I go
                                                                In the heat of December
I think I've got a case of Brazilian soul
                Ebm
                                                                When we let our hearts grow close
I'll always remember
In the heat of December
                                                                A tambourine in the rhythm of samba
                                                                                 Dh
When we let our hearts grow close
                                                                In the heat of December
(Ebm Db Ab)
                                                                Oh, Brazil is where I go
                                                                I think I've got a case of Brazilian soul
     Fbm
The swing and the samba
                                                                I'll always remember
Todo mundo bamba
                                                                In the heat of December
   Ab
The alma brasileira
                                                                When we let our hearts grow close
```
