

The Kooks - By My Side

Tom: C

Intro: 2x: C Am Em C D G

C Am Em C
When you feel like you've fallen out of use

D G
Come by my side

C Am Em C
The starved pain my girl you have induced

D G
Come dine by my side

C Am Em C
Everything she said to me was true

D G
So now I know why

C Am Em C
You look blue, it's eating through you

D G
So come by my side

(Em F Dm)

C F G Em F Dm
Don't want to fall out of love with you

C F G
Don't let me fall out of love with you

C Am Em C
I'll dig down and I'll search for a heart of gold

D G
In your diamond mind

C Am Em C
Don't you know my girl I'd farm the world

D G
To come dine by your side

C Am Em C
Everything you say to me gets through

D G
So now I know why

C Am Em C
I'm not through with life, Because of you

D G
So come by my side

(Em F Dm)

C F G Em F Dm
Don't want to fall out of love with you

C F G
Don't let me fall out of love with you

C Am G
Girl you know that I still need you

C Am G
Pick it up and we'll find a way

C Am G
Don't you know that I still need you

C Am G
Look it up and we'll find a way
