

# The Kooks - Forgive & Forget

Tom: B

Don't say that I never moved you  
 Just because I saw the life before you did  
 And yes I know that I never showed you  
 All the rooms inside my soul

Yeah!  
 Yeah!  
 You say you need someone to love you  
 But it ain't me...

Walking up and down the hall  
 Frankie and his third lover  
 Speaking all the words she wants to hear  
 But that don't mean forever

Yeah!  
 You say you need someone to love you  
 But it ain't me...

Sitting down by the fire  
 Frankie plays the guitar  
 To people playing make believe  
 They say: "Can we get a little higher?"

You give it away x4

So easy Baby  
 But I can't stand an hour break, another day  
 So let me make it easy Babe  
 And it goes on and on and on and on  
 on and on and on

Packing her bags, she found somewhere to stay  
 And in the car to the station  
 You know the world a little brighter  
 And then there's no need for conversations...Tell me why

You give it away x4  
 So easy Baby  
 But I can't stand an hour break, another day  
 So let me make it easy Babe  
 And it goes

Yeah! You say you need someone to love you  
 Yeah!  
 You say you need someone to love you  
 But it ain't me...

Yeah!  
 So I forgive and forget you  
 You say you need someone to love you  
 But it ain't me...
