

The Kooks - Forgive & Forget

Tom: B

Don't say that I never moved you
 Just because I saw the life before you did
 And yes I know that I never showed you
 All the rooms inside my soul

Yeah!
 Yeah!

You say you need someone to love you
 But it ain't me...

Walking up and down the hall
 Frankie and his third lover
 Speaking all the words she wants to hear
 But that don't mean forever

Yeah!
 You say you need someone to love you
 But it ain't me...

Sitting down by the fire
 Frankie plays the guitar
 To people playing make believe
 They say: "Can we get a little higher?"

You give it away x4

So easy Baby
 But I can't stand an hour break, another day
 So let me make it easy Babe
 And it goes on and on and on and on
 on and on and on

Packing her bags, she found somewhere to stay
 And in the car to the station
 You know the world a little brighter
 And then there's no need for conversations...Tell me why

You give it away x4
 So easy Baby
 But I can't stand an hour break, another day
 So let me make it easy Babe
 And it goes

Yeah! You say you need someone to love you
 Yeah!
 You say you need someone to love you
 But it ain't me...

Yeah!
 So I forgive and forget you
 You say you need someone to love you
 But it ain't me...

Acordes
