

# The Kooks - How'd You Like That

Tom: E  
Intro: B Ebm Abm Gb

Well, I was sleeping, only in my head.

Slipping in and out of time

And I was lifting, always higher

And the women of heaven sang

They were singing

How'd you like that? How'd you like that? How'd you like that?

I like it.

How'd you like that? How'd you like that? How'd you like that?

What better time to take a ride with you

Through the universe tonight

The look of silence Much like your face

And the symphony that helps me sing

How'd you like that? How'd you like that? How'd you like that?

I like it.

How'd you like that? How'd you like that? How'd you like that?  
I only just let go

Solo:

How'd you like that? How'd you like that? How'd you like that?  
I like it.

How'd you like that? How'd you like that? How'd you like that?  
It lifts me up

How'd you like that? How'd you like that? How'd you like that?

I feel for you, will you feel for me?  
(How'd you like that? How'd you like that? How'd you like that?)

Let's work together  
And take it across the sea  
(How'd you like that? How'd you like that? How'd you like that?)

To America  
I feel for you, will you feel for me?  
(How'd you like that? How'd you like that? How'd you like that?)

Let's work together  
And take out it across the sea  
(How'd you like that? How'd you like that? How'd you like that?)

Let's work together
