

# The Kooks - Is It Me

Tom: E

Is it me, is it you  
 Is it the times that we're living through  
 Was it hard when I had to leave  
 That day you seemed to change  
 We all need someone to guide us  
 Someone to introduce the show  
 I needed someone just like you  
 Someone to let me know  
 I could loose it all

Refrão:

Well I began to breakdown  
 Searching overtime  
 Bring me a pigs heart  
 And a glass of wine

There was nothing that you could of done  
 There was nothing that you should've said  
 We're both still chasing shadows in our hands  
 It was all to soon
