

The Kooks - It Is Me

Tom: E

(com acordes na forma de Capotraste na 4ª casa
Primeiro Verso:

Is it me, is it you
Is it the times that we're living through
Was it hard when I had to leave
That day you seemed to change
We all need someone to guide us
Someone to introduce the show
I needed someone just like you
Someone to let me know
I could lose it all

Refrão:

Well I began to breakdown
Searching overtime
Bring me a pig's heart
And a glass of wine
There was nothing that you could do
There was nothing that you should've said
We're both still chasing shadows in our hands
It was all to soon

Segundo Verso:

But is it me, is it you
Is it the times that we're going through
Was it hard did your heart breakdown
Is your mind still in control

C)

There is a violence in love
Somethings I'll never understand
So where the bullets missed you out
They hit me I'm falling down again

Refrão:

Well I began to breakdown
Searching overtime
Bring me a pig's heart
And a glass of wine
There was nothing that you could do
There was nothing that you should've said
I'm still chasing shadows in my head
It was all to soon

Solo: C D Bm C (2x)

Verso 3:

Was it me, was it you
Was it the times that we're living through
On my way to see you again
You were my only friend
I know you needed someone to guide you
And the world you should've owned
I need someone to guide me
Someone to let me know
I could lose it all

Outro: C Bm Am Bm (3x)
