

# The Kooks - Melody Maker

Tom: G

[Verso 1]

**Em**  
melody maker, why did she  
take my heart up to the **D** skies  
**C**  
only to break me  
**Em**  
the world it, it keeps spinning  
but I'm  
I'm not with it  
**D**  
I'm all anone  
**C**  
oh melody maker  
will you  
**Em**  
send me line, or lend me  
Some of your time  
**D**  
so that I can see  
**C**  
a land with these broken wings

[Refrão]

and if you need me **Am Em**  
remember not to call **D**  
did you deceive me **Am Em**  
with your back against the wall? **Bm**  
do you believe me? **Am Em**  
all i have is love **D**  
why did you deceive me? **Am Em**  
ha!  
just another brick in the wall **Bm**

**Am**  
yeah yeah

[Verso 2]

**Em**  
too young to remember and  
too hard to forget  
you know  
**D**  
I live my life  
on the end of your **C** cigarette  
**Em**  
the past is gone  
but let's not forget  
you had me caught  
down to the skies  
**D**  
before you let me in  
**D**  
you never really let me in

[Refrão]

so next time you need me **Am Em**  
remember not to call **D**  
did you deceive me? **Am Em**  
with your back against the wall? **Bm**  
do you believe me? **Am Em**  
all i have is love **D**  
(For you)  
why did you deceive me? **Am Em**  
ha!  
just another brick in the wall **Bm**  
**Am**  
yeah yeah  
**Em**
