

The Kooks - Mr. Nice Guy

tom:

Intro: Am C Am C

No more Mr. Nice Guy

I'm wishing you'd be leaving

You think that everybody wants you

Your nose is itching and you're so slow

To tell me everything about you

Yeah, but I already know you

Don't believe in things that don't believe in you

Be leavin' you

All the things that you do will come back on you

See them true

Ah

You want to spend some time together

Suspended like a feather

But you're acting like a nico

Playing with your ego

Always trying with the right crowd

Never alone turn it up loud

Don't believe in things that don't believe in you

They'll be leavin' you

All the things that you do will come back on you

So see them true

Ah

No more Mr. Nice Guy

(G F Em Am G F Em)

Don't believe in things that don't believe in you

Be leavin' you

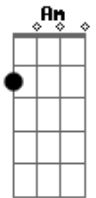

Everything that you do will come back on you

So see them true

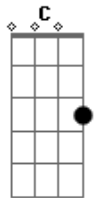

Ah

No more Mr. Nice Guy
