

The Kooks - See The Sun

Tom: Gb

Oh you can have it all and wrap it in the world
 You can have everything

You can have love and lots of other things
 To make you think

But when it all comes down to you girl
 Yeah no matter what you do

Take a look at yourself and realise
 Ive been good to you
 Ive been good to you

F#|- Ebm - Bbm - Db (2x)

Oh no!
 I didn't mean to say what I did say
 All about lovers and how they should lay
 That was never for me to say and say

Don't you see know how I pay

I see the sun rising
 And all you see is it fall, fall, fall

F#|- Ebm - Bbm - Db (2x)

So come on up
 Wasn't it you who said life was like a plastic cup
 To be used and then disposed of
 Yeah but thats no way to live a life like yours
 Don't you see know how I pay

I see the sun rising
 And all you see is it fall, fall, fall

For all the times i never never turned away
 And now she is there on someone else's arm

For all the times i never never turned away
 And now she is there on someone else's arm
