Tom: G

Intro: G Em

H-honey please, don't shed no tears

As long as im here.....

(G Em)

Its far too early in the morning

To be trying to call her

Far too early in the day time

To be thinking about die... but i am

What did i do in a past life

To deserve this...yeah the way I made myself

Far too innocent to be a part of

Such a cruel world, and it is, and it is, and it is

And so ill go yes ill go

So ill take that train and ride

hope that i could rhyme her a rhyme

I might stop this tick of time

Get off this situation and feel fine

Get off this situation and feel fine

What did i do to deserve her love

I had to ask myself

When i am such such a bad man

But only to her, only to her, only to her

And so ill go yes ill go

So ill take that train and ride

hope that i could rhyme her a rhyme

And so ill go yes ill go

So ill take that train and ride

wishing hope that i could rhyme her a rhyme

I might stop this tick of time

Get off this situation and feel fine

Get off this situation and feel fine
