

The Last Shadow Puppets - Bourne Identity

Tom: F

F
Now I know jealousy D
I caught you talking to the real me Bb
C Can't tell you how unhappy that shit makes me Bb
C If you hear him calling, promise you'll ignore him F

D
He's kind of my enemy
Whenever I'm on to something good you see Bb
C He always waltzes in to spoil it for me Bb
C And I can see him starting, want to break my heart then That's Gm
the way to do it

C
Glass-bottomed ego D
Am It's still afloat but can't you see the cracks appearing in Gm
C the base? F

D
[A veil/There?] ain't no ejector seat Bb
When you're [honoured/haunted?] by the sweet smell of self-esteem C
C And you've got yourself as a backseat driver F

D

Spilled the un-spillable beans Bb
And I've dreamed every single impossible dream C
I just can't remember any of the details Bb
C Let's just have a buzz because by the time I'm done fucking
beating myself up Gm
There'll be nothing left to love
C
I feel like the sequel
Am D Gm
You wanna see but you were kinda hoping they would never make C
Bb
Yeah I'm the mystery man that's been unmasked
F I'm getting caught in my own trap
A Dm7 D
I'm leaning in to kiss the past goodbye Gm
Yeah I'll be leaving now, I'm making tracks C
F (Em) Dm
And I doubt that I'll be coming back Gm
Oh the night is young, baby make it a blast C
C Cause you know it's growing up so fast F
D Bb C Bb C Gm
C
Glass-bottomed ego
Am (Dm) (C) (Bb7)
(Bbm)
I'm still afloat but can't you see the cracks appearing in the base?
