A  
Back there at the old times sometimes you used to cross my street

Dbm  
You looked in my eyes and I felt like I couldn't blink

Gbm  
Once in a while I wished I had the guts to talk with you

D E  
And I hope after all you know that I would if I could

A  
But I was always such a shy kid and you were out of reach

Dbm  
So every time I saw a falling star I made a wish

Gbm  
And deep inside I knew someday it has to become true

D E  
You know I kept my faith in us my whole life through

A  
Time goes by and we must wait

Dbm  
And God works in mysterious ways

Gbm  
Last week you met somebody new

D E  
And all my world fell down

A  
A year later you crossed my gate wearing a gold ring

Dbm  
I heard you both got married in a pleasant day of spring

Gbm  
And now it has been a while since you packed your things and moved

D E  
I really hope I have the chance to see you again soon

A  
Time goes by and we must wait

Dbm  
And God works in mysterious ways

Gbm  
Last week you met somebody new

D E  
And all my world fell down

Gbm  
Then you came back to visit your hometown

Bm  
Your daughter had your eyes, your nose, your mouth

Gbm D E  
And swear that I felt like I had not a single thing left

A  
But you looked at me the same way you did when we were kids

Dbm  
You said you missed me much and then you kissed me on my cheek

Gbm  
I looked into your teary eyes and I found out the truth

D E  
We'll never be together but I'll always be with you

A  
Time goes by and we must wait

Dbm  
And God works in mysterious ways

Gbm  
Last week you met somebody new

D E  
And all my world fell down

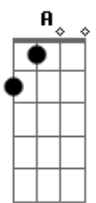

A  
Time goes by and we must wait

Dbm  
And God works in mysterious ways

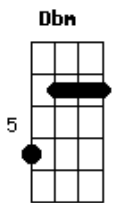

Gbm  
Last week you met somebody new

D E  
And all my world fell down
