tom:

Gm (forma dos acordes no tom de Em)

Capostrate na 3ª casa

Intro: C Em G D  
C Em G D

[Primeira Parte]

If I could find yesterday  
I would take You back to where I'm coming from  
'Cause You can see the way  
All these scars have kept me running  
And chasing down the past  
But I'm not done, I'm turning back

[Pré-Refrão]

I swear, You're the only reason I keep breathing  
I swear, You keep on giving me the reason to keep believing

[Refrão]

Finally I'm worth it, though I'm not perfect  
It still feels right, and I keep on giving  
Trying to make a difference, in my life  
But I know another way to show  
Everything I can be for You  
You're all that I'll ever need

I'll give you the Best of Me

( Em G D )

[Segunda Parte]

If I could read tomorrow's mind  
I would know exactly where You're taking me  
If I'm going to slip away  
Or if I stay and give You all my trust  
You will keep me safe  
I know You won't let me fade

[Pré-Refrão]

[Refrão]

[Ponte]

Oh, I know I believe it  
No, I will be turning around  
I want to know You now  
Your Love it won't let me down, no!

[Pré-Refrão]

(Refrão 2x)

[Final]

I swear, You're the only reason I keep breathing  
I swear
