                                                         Try to add up excuses
                                                                    Fb
       Fm Eb Ab G G7
                                                         Nothing will make a difference
                                                                     Eb
                                                         Baldi knows every door that we open
                        Bb
Everyday I go to a school that likes to help with learning
                                                         Cm G
               Fb
                                                         Following from behind, we can hear him
Eb7M
                                                         There is no place for playtime
To Baldi?s world of fun where no one leaves ?til educated
                                                         Fm7 Eb
Fm Eb Ab G G7
Every door is locked up tight, stay inside, 'til we?re graded
                                                         Avoid them all from every side
                                                         Cm Eb
                                                         Better to leave him be, follow his philosophy
The students try their best to better their education
                                                         This is how we live our lives searching
Cm Eb
Comprehend the material
                                                              Eb
                                                         For the answers inside of every page
Study hard, relay every detail
                                                                 Ab
Cm Eb7M
                                                         And I?m here wondering if one day
                                                         G7 Cm Eb F Ab
We?ll finally be free from this cage?
Nobody wants detention
Fm7 Eb
We only want attention
Cm Eb
                                                         Is it okay to have a feeling
Even when life is tough
                                                           Cm Eb
                                                         That maybe there is more to this game?
Cm G G7
Oddly quarters are enough
                                                         Ab Ab
                                                         However, now, just keep behaving
Cm
                                                                                             Eb
                                                         Sweep through the halls, to escape will have some sacrifices
