

Local Natives - Fountain Of Youth

Tom: A

Dbm E
ooohhh

Dbm E
I think we better listen to these kids

Dbm E
We can't keep pretending we know what we're doing

Dbm E
I can't keep pretending I'm afraid

Dbm
If you'll sit and listen

E
I'll tell you a secret

A
We can do whatever we want

A
We can say whatever we mean

Dbm E
I have waited so long, Mrs. President

Dbm E
Matriarchs and Teddy Boys, play in houses on the lake

Dbm E
How can we quit drugs if you're gonna watch like that?

Dbm E
Give me five good reasons, you trust us with our future

A
We can do whatever we want

A
We can say whatever we mean

Dbm
And if we don't care

E
Then who cares?

A
We've been dreaming of you

A
Drinking from fountains of youth

Dbm
And if we don't change

E
Then who will change?
A
We've been dreaming of you
A
Drinking from fountains of youth

Dbm E
I think we better listen to these kids
Dbm E
I can't keep pretending that I'm still asleep
Dbm E
I can't keep pretending I'm afraid
Dbm E
I was too stoned to call you but I thought that you'd say

A
We can do whatever we want

A
We can say whatever we mean

Dbm
And if we don't care

E
Then who cares?

A
We've been dreaming of you

A
Drinking from fountains of youth

Dbm
And if we don't change

E
Then who will change?

A
We've been dreaming of you

A
Drinking from fountains of youth

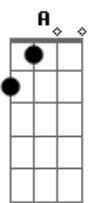

Dbm E
We can do whatever we want

A
We can say whatever we mean

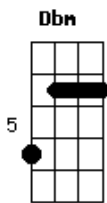

Dbm E
We can do whatever we want

A
We can say whatever we mean
