

The Luke Branch - All My Love

tom:
 Capostraste na 4ª casa

I'm here waiting for you
 When the next train comes
 please tell me that you can get in oh oh oh

'Cause I wait for so long
 just to see your pretty pretty face
 Now I'm giving my heart but you are so far

And I'm giving all my love
 And I'm giving all my love to you

And I'm giving all my love
 Now I'm giving all my love to you

I'm here waiting for you

We're so close but so far
 I can't believe this is true

'Cause you're so unreal

I don't know what is this
 But I think I was made for you
 And you were made for me
 'Cause you so unreal

And I'm giving all my love
 And I'm giving all my love to you
 And I'm giving all my love
 Now I'm giving all my love to you

And I'm giving all my love
 And I'm giving all my love to you

And I'm giving all my love
 And I'm giving all my love to you

And I'm giving all my love
 Now I'm giving all my love to you

All my love (all my love), all my love to you
 All my love (all my love), all my love to you

And i'm giving all my love
