Well I found myself a place every smile that you waste

And every other careless look you've ever tossed aside

Well in my heart I know it's true

That I can't go on loving you

And that's the truth It don't feel good, but honey it feels right

Well of love I've had my share I've got plenty of people

 But I smoke that mountain air honey I've been here, and I've  
 been there  
 At times I might get lonely honey I don't cry

Am (C )  
 There's times at night when it's cold outside, the moon  
 don't shine,

the winds are crying,

(E ) (F )

I wonder if you're at home you might let me back inside

We can huddle up by the old stove we can kindle up some burned  
 out coals

We can love our selves like the days are warm

But, No no no no no
