

# The Lumineers - Dead Sea

Tom: C

I stood alone upon the platform in vain  
 The puerto ricans they were playing their salsa in the rain  
 With open doors and manual locks  
 In fast food parking lots  
 I headed west I was a man on the move  
 New York it lied to me I needed the truth  
 Oh, I need somebody, I need someone I could trust  
 And I don't gamble, but if I did I would bet on us  
 Like the dead sea,  
 You told me I was like the dead sea  
 You'll never sink when you are with me,  
 Oh Lord, like the dead sea  
 Woah I'm like the dead sea,  
 The finest words you ever said to me  
 Honey can't you see,  
 I was born to be, be your dead sea  
 You told me you were good at runnin' away  
 Domestic life it never suited you like a suitcase  
 You left with just the clothes on your back  
 They took the rest when you took a nap  
 Yes, there are times we live for somebody else  
 Your father died  
 And you decided to live it for yourself, you felt

You just felt it was time  
 And I'm glad, 'cause you with cats,  
 That's just not right  
 Like the dead sea,  
 You told me I was like the dead sea  
 You'll never sink when you are with me,  
 Oh Lord, like the dead sea  
 Woah I'm like the dead sea,  
 The finest words you ever said to me  
 Honey can't you see,  
 I was born to be, be your dead sea  
 I been down, I been defeated  
 You're the message I will heed it  
 Would you stay with me  
 Would you stay the night  
 Oohh  
 Like the dead sea,  
 You told me I was like the dead sea  
 You'll never sink when you are with me,  
 oh Lord, like the dead sea  
 Woah I'm like the dead sea,  
 The finest words you ever said to me  
 Honey can't you see,  
 I was born to be, be your dead sea
