

# The Lumineers - Flowers In Your Hair

Tom: G

When we were younger  
 We thought everyone was on our side  
 Then we grew a little  
 And romanticized the time I saw  
 Flowers in your hair  
 Takes a boy to live  
 Takes a man to pretend he was there  
 So then we grew a little  
 Knew a lot  
 And now we demonstrated it to the cops  
 And all the things we said  
 We were self assured  
 It's a long road to wisdom  
 It's a short one to being ignored

Be in my eye  
 Be in my heart  
 By in my eye, eyeyeye  
 Be in my heart  
 So now I think that I could love you back  
 And I hope its not too late  
 'Cause youre so attractive  
 And the way you move  
 I won't close my eyes  
 Takes a man to live  
 Takes a woman to make him compromise  
 Be in my eye  
 Be in my heart  
 By in my eye, eyeyeye  
 Be in my heart
