

# The Lumineers - Ophelia

Tom: F

**Dm** **Bb** **F**  
 Ah, ah, when I was young  
**Dm** **Bb** **F**  
 I, I should've known better  
**Dm** **Bb** **F**  
 And I can't feel no remorse  
**Dm** **Bb** **F**  
 And you don't feel nothing back

( **Dm Bb F** )(2x)

**Dm** **Bb** **F**  
 I, I got a new girlfriend she  
**Dm** **Bb** **F**  
 Feels like she's on top  
**F** **C** **Bb** **F**  
 And I don't feel no remorse  
**Dm** **Bb** **F**  
 And you can't see past my blindness

**Dm** **Bb** **F**  
 Oh, Ophelia  
**F** **Bb** **F**  
 You've been on my mind, girl, since the flood  
**Dm** **Bb** **F**  
 Oh, Ophelia  
**F** **Bb** **F**  
 Heaven help the fool who falls in love

( **Dm Bb F** )(2x)

**Dm** **Bb** **F**  
 I, I got a little paycheck  
**Dm** **Bb** **F**  
 You got big plans and you gotta move (whooh!)

**F** **C** **Bb** **F**  
 And I don't feel nothing at all  
**F** **Dm** **Bb** **F**  
 And you can't feel nothing small

**F** **Bb** **F**  
 Honey, I love you  
**C** **F**  
 That's all she wrote

**Dm** **Bb** **F**  
 Oh, Ophelia  
**F** **Bb** **F**  
 You've been on my mind, girl, like a drug  
**Dm** **Bb** **F**  
 Oh, Ophelia  
**F** **C** **F**  
 Heaven help the fool who falls in love

**Dm** **Bb** **F**  
 Oh, Ophelia  
**F** **Bb** **F**  
 You've been on my mind, girl, since the flood  
**Dm** **Bb** **F**  
 Oh, Ophelia  
**F** **C** **F**  
 Heaven help the fool who falls in love

**Dm** **Bb** **F**  
 Oh, Ophelia  
**F** **Bb** **F**  
 You've been on my mind, girl, like a drug  
**Dm** **Bb** **F**  
 Oh, Ophelia  
**F** **C** **F** (uma batida, fim da música)  
 Heaven help the fool who falls in love
