

# The Lynx - cosmic nature

tom:

Intro: A7 D D7 A D D7 A

While sitting on my bike

You point as things go by

Human nature

Hmm-mmm

It started as a hike

Through leaves of oak and pine

We're in nature

Hmm-mmm

( A7 D D7 A D D7 A )

Can you hold my hand

As we move through the sand

Loving nature

Hmm-mmm

We see the sun go down

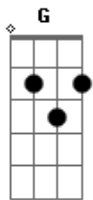

As it enters our own town

Of cosmic nature

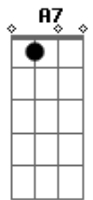

Hmm-mmm

( A7 D D7 A D D7 A )
