

The Maccabees - Feel To Follow

Tom: **F**

Dm
How was I to ever believe it
Em
It's never too late
Dm
Until it's too late and I'll be stranded
Em
And I'll need something

Dm
Now I can see it, and I can feel it
Em
I believe it
Dm
Ever since I can remember
Em
It's been as nothing

Dm Am

G **Am**
Until I almost feel to follow
Dm **Am**
Feel to follow, feel to follow
G **Bb**
Feel to follow, feel to follow

Dm Am G Bb x3

G **Bb**
Feel to follow, feel to follow

Am

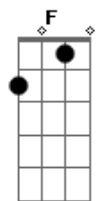

Dm
How will I ever dare to breathe it
Em
When it's over
Dm
I've seen it in another
Dm
Someone stronger
Em
They couldn't leave it

Dm Am

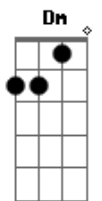

G **Am**
Until I almost feel to follow
Dm **Am**
Feel to follow, feel to follow
G **Bb**
Feel to follow, feel to follow

Dm Am G Bb x3
