

The Maccabees - Feel To Follow

Tom: F

Dm
How was I to ever believe it

Em
It's never too late

Dm
Until it's too late and I'll be stranded

Em
And I'll need something

Dm
Now I can see it, and I can feel it

Em
I believe it

Dm
Ever since I can remember

Em
It's been as nothing

Dm Am

G **Am**
Until I almost feel to follow

Dm **Am**
Feel to follow, feel to follow

G **Bb**
Feel to follow, feel to follow

Am

Dm
How will I ever dare to breathe it

Em
When it's over

Dm
I've seen it in another

Dm
Someone stronger

Em
They couldn't leave it

Dm Am

G **Am**
Until I almost feel to follow

Dm **Am**
Feel to follow, feel to follow

G **Bb**
Feel to follow, feel to follow

Dm Am G Bb x3
