

The Maccabees - Feel To Follow

Tom: F

Dm
 How was I to ever believe it
Em
 It's never too late
Dm
 Until it's too late and I'll be stranded
Em
 And I'll need something

Dm
 Now I can see it, and I can feel it
Em
 I believe it
Dm
 Ever since I can remember
Em
 It's been as nothing

Dm Am

G **Am**
 Until I almost feel to follow
Dm **Am**
 Feel to follow, feel to follow

G **Bb**
 Feel to follow, feel to follow

Am

Dm
 How will I ever dare to breathe it
Em
 When it's over
Dm
 I've seen it in another
Dm
 Someone stronger
Em
 They couldn't leave it

Dm Am

G **Am**
 Until I almost feel to follow
Dm **Am**
 Feel to follow, feel to follow
G **Bb**
 Feel to follow, feel to follow

Dm Am G Bb x3
