

# The Maccabees - Feel To Follow

Tom: F

**Dm**  
How was I to ever believe it  
**Em**  
It's never too late  
**Dm**  
Until it's too late and I'll be stranded  
**Em**  
And I'll need something  
  
**Dm**  
Now I can see it, and I can feel it  
**Em**  
I believe it  
**Dm**  
Ever since I can remember  
**Em**  
It's been as nothing  
  
**Dm Am**  
  
**G** **Am**  
Until I almost feel to follow  
**Dm** **Am**  
Feel to follow, feel to follow

**G** **Bb**  
Feel to follow, feel to follow  
  
**Am**  
  
**Dm**  
How will I ever dare to breathe it  
**Em**  
When it's over  
**Dm**  
I've seen it in another  
**Dm**  
Someone stronger  
**Em**  
They couldn't leave it  
  
**Dm Am**  
  
**G** **Am**  
Until I almost feel to follow  
**Dm** **Am**  
Feel to follow, feel to follow  
**G** **Bb**  
Feel to follow, feel to follow  
  
**Dm Am G Bb** x3
