

The Maccabees - Grew Up At Midnight

Tom: C

C
Outside of the window
F
I was sticking with you
C
We were only kids then
F
We'd get soaked right through
C
We used to tell them
F
I was staying at yours
C
Sheltered in our own worlds
F
We'd watch the rain right through
Dm C G
ooh-ooh-ooh
Dm C G
ooh-ooh-ooh
C F
We grew up at midnight
C F
We were only kids then
Dm C G
Loving woman loving man
C
Here for you doing the best we can
Dm C G
Hard to figure hard to bare
C
Hard to think knowing how much you care
Dm C G
It's the strangest thing through thick and thin
C
All this time kept the promise you made
Dm C G
If you're telling I'll be told
C

I'll come running and be there as soon as I can
