

# The Maccabees - Kamakura

Tom: E

<sup>E</sup>  
Drinking when you're drunken

<sup>Gbm</sup>  
To chase down the evening  
God that girl goes graceful

<sup>A</sup>  
Wondering which way's home  
I heard nothing was changing

<sup>B</sup>  
And that's the shirt you're wearing  
No wonder no one's noticed  
That the summer's been and gone

<sup>E</sup>  
No one says a word

<sup>Gbm</sup>  
Because it breaks a heart

<sup>A</sup>  
Submarine keep diving

<sup>B</sup>  
Seagulls at the waste bins  
Wish them all a winter  
Must be rough at sea

-----  
Chorus

<sup>Gbm</sup>  
He's given a bloody nose to the best friend he knows  
The only time he's cried since he was seven years old  
Your best friends forgive you

<sup>E</sup>  
Your best friends forget you get old

-----  
2nd Verse

<sup>E</sup>  
Steaming at the corners  
When the blue pulled over <sup>Gbm</sup>

Said he wanted seasons

<sup>A</sup>  
Miss red hot October  
The Black Maria

<sup>B</sup>  
Is where he finds his honour  
The darker the corner  
Now the summer's been and gone

<sup>E</sup> <sup>Gbm</sup>  
No one says a word because it breaks her heart

<sup>A</sup>  
The coming and the going

<sup>B</sup>  
Blame it on the ocean  
Or coastal erosion  
It must be rough at sea

-----  
Chorus [x2]

He's given a bloody nose to the best friend he knows  
The only time he's cried since he was seven years old  
Your best friends forgive you

<sup>E</sup>  
Your best friends forget you get old

<sup>Gbm</sup>  
He's given a bloody nose to the best friend he knows  
The only time he's cried since he was seven years old  
Your best friends forgive you

<sup>A</sup>  
Your best friends forget you get old

<sup>B</sup>  
You get old

-----
