

The Maccabees - Kamakura

Acordes

Said he wanted seasons Miss red hot October The Black Maria Is where he finds his honour The darker the corner Now the summer's been and gone No one says a word because it breaks her heart The coming and the going Blame it on the ocean Or coastal erosion It must be rough at sea Chorus [x2] Gbm He's given a bloody nose to the best friend he knows The only time he's cried since he was seven years old Your best friends forgive you Your best friends forget you get old Gbm He's given a bloody nose to the best friend he knows The only time he's cried since he was seven years old Your best friends forgive you Your best friends forget you get old You get old -----Outro No one says a word

Because it breaks her heart...
